

In Brief

Find your way to new orienteering course

EAST YORKS: Newcomers are invited to try the sport of orienteering at East Park, off Holderness Road, east Hull.

Halo (Humberside and Lincolnshire Orienteers) will hold the event on Saturday, January 28, from 10am to noon.

Registration will take place in front of the Pavilion Café.

Neil Harvatt, the club's fixture secretary, said: "The 130-acre grade two listed park is an ideal setting for an introduction to orienteering.

"The shortest course will also be suitable for wheelchair users as this course takes place on paved surfaces."

Entry is £2 for adults and £1 for juniors.

Harder courses can be attempted at no extra charge after successful completion of the easier courses.

The East Park event will be followed by one in Beverley on February 18.
