## Scardale & Knapton Regional Event

Sunday 7<sup>th</sup> April 2013

## Final Details

(correct at 03:04:13)

---

Location	The event will be signposted from the A64 Malton to Scarborough road. Turn south off the road, 10 km east of Malton, at Grid Ref SE 878753. Parking will be approx. 2.5 km along this road close to Wolds Way Caravan Park. The road, which is tarmac for the most part, will also be used by customers using the caravan & camping site and competitors should be alert to oncoming traffic. Please take extra care when passing through the 'Runners Crossing' area towards the top of the Wold.
Parking (revised arrangements)	Parking will be on part of the Caravan Site and the verges of the access road. Access and egress to the site for pedestrians and vehicles is through a single entrance so extreme care should be taken. Please obey the marshals' instructions and give way to pedestrians. Parking on the site will be within a taped-off area. Please do not cross the tapes into the caravan site or allow any children to do so. There will be a £1 charge for parking.
Registration & Download	This will be in the caravan site facilities block, close to the entrance. Registration will be open from 10.00am to 12.00am.
Facilities	Toilets are located at the southern end of the facilities block. Water/juice will be available at Assembly. There is a small site shop next to Registration. Dogs on leads in the parking area only.
Start and Finish	The Start is approximately 1500 metres south of the car-parking area in Scardale. <b>It is imperative that all competitors follow the taped route to the Start and not walk through the caravan site or on any cultivated land.</b> There will not be a clothing dump. There are two Finishes: For courses White to Short Green, the Finish is in Scardale, close to the Start. Competitors must follow the taped route back to Registration/Download and Car Park. <b>Do not walk on any cultivated land or through the Caravan site.</b> For courses Green to Black, the Finish is in Knapton and approximately 500 metres from Registration/Download and parking area. <b>Please follow the taped route and do not 'short-cut' across the parking field.</b>
Pre-entries	Those who have pre-entered on Fabian 4 will be allocated a Start Time for their convenience. The Start Times will be published on Fabian 4 from Thursday 4 <sup>th</sup> April. It is not necessary for pre-entered competitors to visit Registration unless they need to hire an SI Card (dibber).
Entry on the Day (subject to map availability)	On the day entrants must complete an EOD form and register for the event at Registration. On payment, EOD competitors will also be given a card with their course on it. When the cards run out, the maps will have run out! This card must be handed to the marshal at the Start. <b>Start times will not be allocated to EOD competitors.</b>  An EOD form will be available to download from the HALO website from Wed. 3 <sup>rd</sup> April. Details of courses and lengths are on this EOD form as well as below. One of these forms must be completed by every EOD competitor. Copies will also be available at the entrance to the parking area and at Registration.

---

	<p>Fees for entry on the day:          Juniors (under 21) – all courses     £3;          Seniors (White – Light Green)         £5;          Seniors (Very Short Green – Black) £10.</p>
Start times and procedure	<p>Starts will be from 1030 to 1230. Start times will be allocated to pre-entered competitors and they will have priority only at their allocated time.</p> <p>Competitors will only be allowed to start if their name is on the pre-entry list or if they have an EOD course card.</p> <p>A punching start will be used by all competitors.</p>
Courses	<p>See table below for details.</p> <p>Unfortunately, it will not be possible to offer a String Course at this event.</p>
Maps	<p>1:10000 (Green – Black), 1:7,500 (White – Short Green), 5m contours. Survey 2006, minor updates 2013.</p> <p>Maps (A4 size) will be printed on waterproof paper.</p>
Terrain	<p>Consists of two areas of mixed woodland on well drained chalk slopes joined together by a public footpath. The farmland to the east and west of the footpath is Out of Bounds. The landowner has specifically requested that competitors keep to the footpath when running between the two areas of woodland and do not attempt to run inside the field boundaries.</p> <p>Both areas feature a variety of contour details with generally good runnability.</p>
Control Descriptions	<p>Control descriptions will be on the map, loose ones will be available from the Start lanes (-2).</p> <p>White and Yellow courses will have written descriptions. All other courses will use IOF symbols.</p> <p>The following additional symbols have been used for control descriptions:          Black cross (X) has been used to indicate a tripod.</p>
Controls	<p>Sport Ident (SI) will be used for all courses. Controls are mounted on the top of stakes with a standard kite. The control number will be marked on the control unit. SI cards (dibbers) may be hired (£1 fee) from Registration. There is a £30 charge for lost or damaged SI Cards.</p>
Safety	<p>Competitors take part at their own risk and are responsible for their own safety.</p> <p>Competitors should carry a whistle.</p> <p>Car keys may be left at Registration if necessary. Competitors travelling alone should leave their car keys and particulars at Registration.</p> <p>Competitors should not cross fences other than at official crossing points/gates. However, there are some low, mesh fences in the competition area which are marked on the map and may be crossed.</p> <p>Courses Green-Black cross the access road once at the marked crossing point. Care should be taken as competitors/camp-site customers may be driving in or out as you cross the road. The crossing point will be supervised and notices erected to warn drivers.</p> <p>After crossing the road, the eastern footpath boundary may be an electric fence, in which case it will be taped-off and must not be crossed.</p> <p>Competitors should note the impassable crags (Knapton) marked on the maps.</p> <p>Cagoules and whistles may be compulsory in the event of adverse weather conditions. In such circumstances, competitors will be notified upon arrival at the event.</p> <p>All competitors must report to download in the Registration room, even</p>
