

Beverley Westwood**Sunday 10th October, 2004****Results**[Comments](#)[Winsplits](#)

Because of problems with control 125, times to it from the preceding control and from it to the following control have been deducted from finish times for all competitors on the brown, blue and green courses. Competitors on these courses who could not find control 125 have been reinstated. Total times to individual controls after 125 have not been altered. This explains why final finish times are less than total times to the last few controls. A similar problem with control 106 on the white course has led to reinstating any competitors who did not find that control. However, no times have been adjusted on the white course.
