## HALO News 12-14

### Brisk Orienteering.....

Two Urban events last week, the HALO pub league at Brigg and the EBOR event at Thirsk. I planned the Brigg event, but not the weather. Yet again it rained, not that it seemed to dampen spirits too much. Twenty two controls, all on trees and with an optimum route of 6.5km. Liam Harrington was quickest again for all 22, closely followed by Brian Ward.

A post race analysis and results are on the website, including the handicap positions with one event left.

<http://www.halo-orienteeing.org.uk>

I would just like to thank the 25 runners who attended and congratulate everyone who managed to collect all controls. Plus thanks to Brian Slater who helped me with the maps and sacrificed his own run (it was raining!) to sort out the computer problems.

Thirsk was a very different event with an optimum route of 10.5km on the "A" course. Again it managed to rain, but only on those of us out late. A good HALO attendance, I counted thirteen of us in total, with the best results being 8th for Helena Crutchley on the WV and 8th for Brian Ward in the MV. Full results here....

### Sunday...Sunday....

Two traditional events on Sunday. The second half of EBOR's Spring Weekend took place at Givendale & White Cliff Rigg. Brian Slater, Mary Carrick and Helena all made a weekend of it and were joined by Paul Van Dam and family and Alan Robinson. Full results are on the EBOR website, but for special news see the column on the right!

The other event on Sunday was the LOG regional event at Louth. A few people obviously saw it as an ideal Poacher training event. Brian Hostad finished joint 3rd on the blue. Whilst Dean Field was second on the brown, ahead of David Jolly and Jake Field. Jake must have

### Events this week...

Thursday sees the final round of the HALO Pub League Series. This takes place at The Hayride in North Beverley. Start times are between 6pm and 7pm.

On Sunday the HALO Regional event is at Houghton Moor. The usual range of colour coded courses are available, with discounted entry fees for helpers. Don't forget the clocks go forward as well this weekend !

green as well (see last week's erroneous news) but of course Joe did, finishing second.

## YHOA Middle Distance Champions.....

Huge congratulations to George & Emma Van Dam on becoming Middle Distance Champions for Yorkshire & Humberside last Sunday. George won his M14 class by winning the Light Green course and Emma was W10 Champion. Well done from all of HALO.

With so many results to report this week, apologies if you were missed out.
