## HALO News 13-14

### Beverley Knight.....

The final event of the current Pub League Series took place at Beverley last week.

Paul Simmons did a great job planning, with only three runners getting all twenty controls. Thomas Honniball was quickest followed by Brian Ward and Neil Harvatt. Neil was 13 seconds over the time limit, but could spot two errors that cost him that time. Mary Carrick came out on top with the handicapping system, meanwhile "Old Pops" is off to buy a head torch! The results are both in age class as well as course. But I'll just highlight the colour coded results, as shown on the BOF website.

Flora Jolly won the white, the Cook family dominated the yellow, but Elsbeth Jolly managed to get second place. Marsaili Jolly won the orange course. On the light green Joe Field finished first, ahead of Ken (who was also sleep deprived!) Very short green saw Isoldt Harris finishing second, ahead of Paul Simmons and Dorothy Smith. On the green Helen Smith was third whilst Mike Smith was fifth. Helena Crutcley was second on the short blue, Dean Field was
