Beverley Urban....

Brian Slater writes.....

To All HALO,

If you were unable to get there, just to let you all know that the 'Beverley Urban and Sprint' was a great success. We took £570 which goes into the coffers for maintenance and development of the club.

We must thank our main contributors who were Pete Harris and Paul Simmons, controller and planner.

I am amazed by the team work, spirit and skills of HALO helpers. The controls were out by 9am as the workers arrived to set up the assembly and start which was ready for participants at 9.45 as planned.

Thanks to all - Pete S, Neil, John, Mike, Dorothy, Helena, Alex, Chris, Ken; Dean, Rosanne, Zach, Jake, Yasmin & Jo Field; Isoldt, Mary C, David, Brian H.

There were lots of satisfied customers and many complimentary comments of the courses and the organisation, (the sunshine helped!).

Also there was much local curiosity. A lovely inquisitive lady of 91years, with walking stick, (too infirmed to run around a course) kept me in conversation until totally satisfied that all was well with our event. Perhaps she was chatting me up!!!!!! Is that vanity or humour - discuss?

Any way I'll be back in Beverley Monday night, no not for that, but to participate at one of Neil's training sessions which never cease to inspire and motivate me.

Thanks and cheers,

Brian Slater, Proud Chair of HALO

I personally thought that Paul Simmons did a great job planning and used every "snicket" there was. The feedback at download was all positive, a great result for HALO. Speaking of results, Helena Crutchley won her class, as did Joe Field. Neil Harvatt was second M55, whilst Brian Slater was third M65. Yasmine Field was also

third in M70 and David Jolly had the midas touch, finishing third in M40. Full results here, http://www.halo-orienteering.org.uk/page/_eventresult?LS=0&RS=0&id=499

Poacher 2014 Week Ten.....

Well done and thanks to the team running last week's event at Central Park. Well done also to you for your patience. Poor old Andrew Houldon was probably oblivious to the IT issues, and stood at the start wondering why no one was doing a second run. Andrew planned some great courses that tested us all.

This week it's David Jolly planning the five courses at Hemswell Cliff Antique Centre. ("Lets go Bargain Hunting..Yeah?")

Results and the league tables so far, are on the HALO website, <http://www.halo-orienteering.org.uk>
