## Yorkshire Grit.....

There were two top events in Yorkshire last weekend, but they weren't for the faint-hearted.

The level A, British Night Champs was at Leeds on Saturday and the level B, UKOL event at Barnsley on Sunday.

### **British Night Champs.....**

Congratulations to John Butler and Yasmin Field, with podium places at the BNC last Saturday night. John was 2nd M70 and Yasmin 3rd W16.

### **Cawthorne & Deffer Woods.....**

SYO organised the event on Sunday, the first YHOA Superleague event of 2015 and a UK Orienteering League event.

It wasn't pretty, even the controller Colin Drury, in his comments said, "you can't make a silk purse out of a sow's ear, as such the area and the courses were a bit rough and hairy"

Plenty of mps and slow times, but Paul Van Dam, Helena Crutchley, Paul Simmons and Mary Carrick, all managed good mid-table results. The rest of us limped home to lick our wounds! Apologies if you did any better, but I couldn't find all of our names in the results listings.

### **HALO Pub League.....**

Twenty runners took part in the first round of the pub league at Barton last Tuesday. Brian Slater planned the event, with the top three finishers Brian Ward, Liam Harrington and Dave Jolly, collecting all 20 controls. As did Neil Harvatt, but with time penalties. Tonight the series moves to Beverley, meet at the Green Dragon Pub, situated in the Market Place, starts are from 6pm onwards.

### **LOG Night Score.....**

The LOG Night Score event last Thursday was at Birchwood, Lincoln. HALO locked out the top two places, with Brian Ward first and Dave Jolly in second place. This Thursday the series moves to the West Common, with a mass start at 7.15pm.
