HALO News Tuesday 17th March 2015

Sherwood Forest Gateau...

Well it was a close fought competition, with the final results not known until well into the afternoon. But at the end of the day, there could only be one winner, which was EPOC.
However, with cake competitions you can have three winners and you get to eat cake.

Compass Sport Trophy..........
Well done and thanks to all who ran at Sherwood Pines last Sunday. The juniors of Dom, Emma & George led the way for us, scoring 98 and 96 points.
We had some great results and over thirty runners entered, but only thirteen can count.
Neil has put together a good piece about the day on the HALO website, which includes a link to show all of our individual scores.

Pub League...........
The pub league last Tuesday was in Broughton, at the much improved Red Lion. David Jolly had planned the event, with Brian Slater controlling. Only Paul Murgatroyd managed to get all 20 controls. Neil Harvatt got 19, with Brian Ward and Brian Hostad, both collecting 18.
Tonight's event is at the Fair Maid, Cottingham. Starts are from 6pm, so don't forget your hi-viz and spare torch.

Events this week........
Today, HALO Pub League at Cottingham.
Saturday, EBOR YHOA Sprint Champs (no entry on the day)
Saturday night, HALO Humberbeat Night Challenge (no entry on the night!)
Sunday, EBOR event at Gillings Wood.

HALO News...........
Charlotte Ward was shown in the recent British Orienteering Focus magazine, to be

the fourth highest ranked female runner in the UK. Then last Sunday she was the quickest female athlete at the Varsity 10km race, held in Sheffield. As well as winning, Charlotte set a personal best time of 38 minutes and 29 seconds. Well done from all at HALO.
