Hull-O

It was great to see so many people at the two Hull Urban events last weekend. Thanks must go to planners and organisers Paul Simmons, Brian Ward, Brian Slater, Pete Shew, Pete Harris, Henry Marston and everyone else who lent a hand. A special mention also to Neil Harvatt for mapping the Victoria Dock Village and to Brian Ward for showing us every tourist attraction in Hull on Sunday. (maybe just because of my route choices!)

Hull Urban Weekend.....

We didn't trouble the leaders too much at the Sprints on Saturday, although Pete Shew had a great 5th place out of 15 runners. Full results and video footage from Brian Ward can be found [here](#).

Sunday saw more HALO runners in the mix. Top finishers were Carl Henrickson 6th MO, Brian Hostad 7th MV, Pete Harris 14th MSV, Pete Shew 9th MUV, Helena Crutchley 8th WV.

Full results can be found [here](#).

Thanks go to Rod Williams for planning last week's Poacher event at Primrose Warren. This Wednesday we're at Nettleton Woods, where the planner is Andrew Houldon.
