Penultimate Poacher.....

Week ten of the Lincolnshire Poacher heads to the Willows and Freshney on Wednesday. This is the event which also signals the start of the Lincolnshire Urban league, so short, medium and long courses are available.

Next week is the last Poacher, where there is a picnic in the park planned as well.

AIRE Fat Rascal Weekend.....

A bright and breezy Colton village greeted the HALO contingent on day two of the Fat Rascal weekender.

Mary Carrick and Jackie Edwards had competed at the sprint event on Saturday, Mary finishing third in her class.

The Sunday urban made good use of the various housing estates and green paths between them.

Top HALO finishers were, Brian Ward (MO) Brian Hostad (MV) Pete Harris (MSV) Pete Shew (MUV) and George Van Dam (MJ) Whilst on the women's courses top HALO finishers were Amanda Ward (WV) Isoldt Harris (WSV) Mary Carrick (WUV) and Emma Van Dam winning WYJ. Results for day two are [here](#).

Poacher Week 10.....

Thanks go to Brian Slater for planning last week's Poacher event at Weelsby Woods. Not only did Brian plan and put controls out, he then manned the registration and download station, which involved a lot more work than usual, with multiple runs being done.

This Wednesday we're at the Willows Estate in Grimsby, where the planner is Pete Harris. Kite collectors needed please.
