## **SLOW News Day.....**

A small group of HALO runners went to the London City Race weekend, organised by South London Orienteers (SLOW)

There were three events, a Friday night sprint, the Saturday City race and a sprint championship on the Sunday.

Results are plentiful and perhaps best viewed via the British Orienteering [website](#), but Saturday's race highlights were, Martin Smith 13th MO, with Wayne Byrne 21st. David Jolly 15th M35, Neil Harvatt 32nd M55 and Helen Chan 46th W35.

These results are even more impressive when you see the number of runners in each class, well done all.

Meanwhile on Sunday Emma Van Dam won the orange course at CLARO's event near Harrogate, with Jake Field just beating his Dad, Dean, for second place on the blue.

## **HALO Pub League.....**

The pub league starts tonight.

Meet at the Queen's Head, Kirton in Lindsey for 6pm starts.

David Jolly is the planner for this forty five minute score event.

Don't forget the Saturday League starts this week as well.
