A Quiet Weekend.....

The only local event last weekend was the final one of the YHOA Night League at Bishop Wood.

At the time of writing the results for the league have not yet been published. As I said last week the Field Family were on course for several trophies, I'll bring you those results as soon as possible.

The YHOA Urban League begins at Sowerby Bridge on the 7th February and continues throughout the year.

"Fight The Night....."

LOG are hosting a series of mixed urban score events on Thursday nights. The first is this week at Lincoln University. Mass starts are at 7.15pm, so arrive in plenty of time and please email Paul Murgatroyd to reserve your map.

A quick reminder our own Pub League starts again on Tuesday the 9th February at Barton upon Humber.

HumberBeat Challenge.....

This year's Night Challenge takes place on Saturday 5th March.

HALO organise the Night Walk segment of the challenge and need some help with map coaches. You will need to be able to show youngsters how to read an OS map. There are two shifts starting at 4.30pm and 8.30pm. If you are able to help, please contact John Butler.
