

### New Year's Day Event.....

The Market Rasen Urban Handicap Chase, was the big race on the card last Sunday. A town noted for its horse racing, it had never seen anything quite like this.

The runners came under starters orders in the Market Place at 11.15am, and then they were off. Mary Carrick made good ground across the cobbles before a refusal at the road crossing. At the four furlong stage, the Field Family were tightly packed before being passed by joint favourites Brian and Charlotte Ward. Then it was the final turn and the home straight, and the runner who was last to finish won !!

Pete Harris did a good job of handicapping the teams, David Jolly did a good job of setting the controls, but then announced bonus points for collecting all thirty controls. Tommy Horton rose to the challenge, getting them all in 52 minutes. Even with a 40 point time penalty, he remained in first place. The bonus points he earned also meant his team (Tommy, Chris & Pat) came first. I was hoping there could have been a stewards enquiry, since winning first prize means we have to organise next year's race.

Thanks to David Jolly and his family, Pete Harris, Brian Slater, Helen, Danny and Emma Chan, and anyone else who contributed to making it a great start to 2017. Oh, I was also on the winning quiz team, with Alex, Isoldt, Nick, Annie and Geoff.
