

### HALO Pub League 5.....

Thanks to Brian Slater for planning at Broughton last week. I think Luke couldn't plan because of the new safety rules. David Jolly collected all 20 controls, but was four seconds over time. Holly Horton was second with 18, Neil Harvatt got 18 as well, but incurred time penalties. Holly won the handicap result and after five races the league table couldn't be tighter, Brian Ward and Pete Shew, joint 1st on 195 points, David Jolly and Holly Horton, joint 2nd on 190 points. But Neil is still in with a chance, as he hasn't competed in four events yet.

It's the 35th Anniversary of HALO this year. As a way of celebration, these pics are of the Haslingden HALO in Lancashire. Part of an art installation, it has its own website, and turns blue at night.....
